GHSPSA collects your story for Anchor of the World II

In 2007 the School created the first edition of Anchor of the World to celebrate its Golden Jubilee.

To continue the tradition, the School is looking for 60 Hoppers to share their stories to create Anchor of the World II for the Diamond Jubilee.

It aims to explore how life at Good Hope School has impacted our lives as Hoppers.

If you or your friends feel that Good Hope School has made a difference to the journey of your life, contact us NOW!

Target

A total of 60 past students from different parts of the world for their inspiring stories (about 800-1000 words) on:

- unforgettable memories at GHS
- the core values learnt from School
- how GHS impacts their attitudes towards life and work

All net proceeds will be donated to:

- the retired MIC Sisters
- the re-construction of Delia's Wing

Executive Committee
Good Hope School Past Students Association
