## **GHSPSA Book Club Meeting: 20 Feb 2016**

Dear GHS past students,

The Book Club had another great meeting on a sunny day on 9 January on the school campus. Rich in intriguing episodes, the 1945 novel "The Catcher in the Rye" by J. D. Salinger received interesting reviews and it stimulated active exchange of views and comments among the participants. There was also an extended round of discussion over a quotation from the book as below:

“The mark of the immature man is that he wants to die nobly for a cause, while the mark of the mature man is that he wants to live humbly for one.” (pp.169)

The Book Club is here for all the past students, and we sincerely hope that you may come join us to share the fun and pleasure of book reading and idea sharing together with the other past students.

The arrangement of the next Book Club meeting is now ready as below:
