Helper Needed for Former GHS Tuck Shop Staff

Some of you may remember Ah Tsang (珍姐) who worked at the Secondary school tuck shop. She actually started working at the Waterloo Road GHS Kindergarten when she was a teenager. She is now living in an institution in Aberdeen and has become bedridden. She would like to hire a part-time worker four times a week in the afternoon. If you know of any caring and capable helper, please contact Teresa Poon at 60434366.

Joy and thanksgiving,
