Book Club News - August 2016

Dear past students,

Earlier in April we invited Mr. Dominic Lee to speak at our very first Book Talk, and it was a great delight to see enthusiastic faces of past and current students at the audience that day. Allow us to express our heartfelt thanks again to Mr. Lee for his most insightful, sincere and enlightening sharing, and to both the past and current students for their active participation in the interactive chats with Mr. Lee on the selected books. You may now revisit our happy moments on [GHSPSA website!](#)

The Book Club meets every month, and members usually share their thoughts freely on one designated book. The selected books for the coming meetings are as below:
