VOLUNTEER for Mock Interview for S6 GHS Students

Join us as interviewers or as recent graduates to assist & share interview experience with the S6 student for a mock interview.

This is a regular PSA programme we offer to current DSE students prior to their university interviews. 2 Sessions will be held in parallel with 2 groups of students. There are already over 100 students enrolled for Mock Interview this year.

Ms Grace Siu, experienced Career Advisor at Career Centre of HKUST and Life & Career Coach, together with her training partner Ms Donna Titley, will advise one group of students on Creating a powerful self-introduction using Lumina Spark & Group interview practicum preparing for university interviews. Recent graduates will be assisting Grace & Donna as well sharing their first person interview experiences.

In parallel, 25 interviewers will conduct the Mock Interviews with the other group of students. Each Mock Interview sub-group is around 5-6 students with 2-3 interviewers.

Before the Mock Interview, a briefing to all interviewers will be provided, as well as past interview questions and interview feedback forms for reference.

As a cherry on the cake, we revisit our great days at School!
