January Book Club Meeting

Welcome to 2018! This month, the Book Club will read “Before the Coffee Gets Cold” by Toshikazu Kawaguchi (《在咖啡冷掉之前》，川口俊和著)，a short novel set at a café with magical power.

If you were lucky enough to sit on the special chair at this café, you will have the rare chance to travel back time and meet the one you dearly miss for a short moment. How short? Before your cup of coffee gets cold. And what can you do? Nothing. You are transported back time only to experience that moment again, not to change anything.

Read on as our four protagonists travel back time and relive their memories that become their most precious experience.
